For the Book never ends
As we veil the past to enter into an era conquered by few
We bid it farewell with a somber adieu
For that chapter came to an end
Yet the page shall turn and history will extend
For there comes a time when we all must start new
A moment so priceless and true
For as we take this journey down a new path
The pages will display the record of each class
This is our beginning our present, our future and our start
The past chapter has been closed but shall never depart ones heart.
It is only the beginning now a path unknown
The paper of this book will flow with words and never stand alone
Fall, winter, summer spring
Only with the test of time will we know what the beginning should bring
Moments in time when the commencement of Johnson C. Smith history we
shall befriend
For our book will never end!

By: D'Jaris James

Purpose and Mission

Founded in 1867 under the auspices of the Committee on Freedmen of the Presbyterian Church, U.S.A., Johnson C. Smith University (JCSU) is an independent, private, coeducational institution of higher learning. Located in the rapidly growing metropolis of Charlotte, North Carolina, "Queen City of the South," this historically African-American university has a residential campus with a familiar atmosphere in which students are stimulated and nurtured by dedicated and caring faculty and staff.

Consistent with its Christian roots, the university recognizes the importance of moral and ethical values to undergird intellectual development and all endeavors. JCSU believes in the unrelenting pursuit of knowledge and in the values of cultivating the life of the mind. The university assigns great significance to the development of self-confidence, to the understanding of ones' own heritage as well as an awareness of the cultures of others, to exploration of the myriad forces affecting people of a complex technological age, and to formulating a sense of one's role in this schema.

The mission of JCSU is to provide an outstanding education for a diverse group of talented and highly motivated students from various ethnic, socioeconomic, and geographical backgrounds. The university offers a liberal education in conjunction with concentrated study in specialized fields, in preparation for advanced study and specific careers.

The university endeavors to produce graduates who are able to communicate effectively, think critically, learn independently as well as collaboratively, and demonstrate competence in their chosen fields. Further, it provides an environment in which students can fulfill their physical, social, cultural, spiritual, and other personal needs through which they can develop a compelling sense of social and civic responsibility for leadership and service in a dynamic, multicultural society. Likewise, the university embraces its responsibility to provide leadership, service, and lifelong learning to the larger community.

Regarding teaching effectiveness as paramount in its educational enterprise, JCSU has a commitment to the recruitment and retention of an outstanding faculty. To this end, the university promotes faculty development, encourages faculty involvement in research and other creative activities, and endorses the principles of academic freedom.

To ensure the integrity and stability of its status and the perpetuation of its rich legacy, Johnson C. Smith University has a firm resolve to maintain the fiscal and human resources requisite to be a truly distinctive institutional hallmark of excellence in its students, faculty, staff, administrators, academic and other programs, facilities, operations, and environment.

Alma Mater

Loyalty Song

*We love thee, Smith, with all our hearts!
To thee we'll e'er be true/
And in the light of truth and right
Hold high the Gold and Blue.*

Refrain:

*Proudly we hail thy name, our Alma Mater, Old S.U.
Johnson C. Smith, our own! Our hope, our guiding
star, our light unfailing!
Pride of our loyal hearts, we'll love and honor thee
our whole life through.
On, ever on! dear old J.C.S.U.!*

*Fair Smith, where're on earth we roam,
Send forth thy constant ray,
And let it beam with steadfast gleam
To lead us o'er life's way.*

*Words by George Leonard Allen
Music by R. Tate*

Dr. Ronald L. Carter, a native of High Point, N.C., became the 13th president of Johnson C. Smith University on July 1, 2008. With more than 30 years serving students and universities, Dr. Carter brings an impressive record of community leadership, academic administration, and budget management to the position.

Upon graduating magna cum laude, Phi Beta Kappa, with a Bachelor of Arts degree in sociology and philosophy from Morehouse College in 1971, Dr. Carter began his distinguished career at Boston University's Martin Luther King Jr. Center, where by 1981, he rose to become the school's youngest dean of students. While at Boston University, Dr. Carter pursued graduate studies, earning both a Master of Theology degree and a Ph.D. in philosophy of religion.

His many community involvements have included serving as ethicist for the Pee Dee Regional Center Ethics Committee, chairman of the Darlington County Disabilities and Special Needs Board, member of the Greater Timmonsville Friends United Board of Directors, chair of the Darlington County Habitat for Humanity board, first vice-president and director of education of the Palmetto State and Baptist Convention, member of the Pee Dee United Negro College Fund Advisory Board, member of the Coastal Carolina University Dalton and Linda Floyd Mentoring Program Advisory Board, and vice president of the Hartsville Rotary Club.

His expertise in medical ethics and community involvement have brought him several national appointments, including moderator for the National Meeting of the Medical Institute for Sexual Health (2004-2006), chair of expert panel for the Connecting Parenting Adults and Youth Project funded by the Centers for Disease Control and Prevention (2006), and chair of expert review panel of scientific measurement for an abstinence rating tool funded by the Centers for Disease Control and Prevention (2007). He has appeared on numerous television and radio programs in South Africa and in the U.S., discussing educational issues and policies.

In 2006, Dr. Carter was the recipient of the 2006 South Carolina Dance Association Presidents Award for promoting and supporting dance in South Carolina. He was recognized in the 2005/2006 edition of Blackbook as an outstanding citizen who is making a difference in Eastern South Carolina.

Since becoming president, Dr. Carter has become very involved in the Charlotte community. Currently, he is a board member with the Charlotte Chamber of Commerce, Chair of the Charlotte Street Car Advisory Committee, Charlotte Center City Partners, Charlotte Museum of History, and Foundation for the Carolinas.

Dr. Carter has issued a challenge to faculty, staff, students, staff, alumni, trustees and friends. He has envisioned a path to move JCSU from good to great on the educational landscape so that we may live on our growing edge.

JCSU welcomes Dr. Ronald L. Carter as its 13th President...

As you embark upon the pages in this volume of "The Bull", you may wonder why the staff chose **REdefine** as the theme of this volume. Johnson C. Smith University is committed to a legacy of excellence and forever will be. On July 1, 2008, a new facet of this excellence went into play. Dr. Ronald L. Carter led the administration of the university with a new vision in mind. In summary, Dr. Carter's goal is to transform JCSU into Charlotte's nationally recognized premier independent urban institution for applied research at the graduate and undergraduate levels. Thus he has redefined the face of excellence at JCSU. Below are the goals he has set for the university.

Community: To lead JCSU in forming partnerships and alliances with public and private entities and in strategic planning to help expand the Charlotte impact.

Innovation: To take deliberate and planned approaches to leveraging academic assets in urban economic growth strategies.

Learning: To foster new ideas, language, especially as they relate to student development.

Leadership: To move JCSU from good to great on the higher educational landscape

Sit back and enjoy as a new dimension of JCSU unveils!

Miss Johnson C. Smith University

Miss Tanoia Hill

Tanoia La'Quae Hill is widely known on the campus of Johnson C. Smith University as a tireless, profoundly effective advocate for academic excellence and an outstanding leader with compassion for others. She believes one cannot consent to creep when one has been blessed with the ability to soar. Born to Ms. Fatima McDaniel (Hill) in Lansing, Michigan, the family later moved to Columbus, Ohio. It was never a question that Tanoia would attend a great, historical university such as Johnson C. Smith.

While in high school, Tanoia was the captain of her cheerleading squad, a member of the Math and Science Club, and a student leader. During her senior year of high school Tanoia was a Debutante in a prestigious Starlite Cotillion, where she was introduced as a young woman of dignity and pride.

Tanoia will be graduating in May 2009 with a Bachelor of Arts degree in Communication Arts. During her collegiate years at Johnson C. 2009 CIAA Champions

S

ometimes you win, sometimes you achieve greatness, but hardly ever do you get a chance to make history! Johnson C. Smith University head women's basketball coach Vanessa Taylor has done all three by winning the 2009 Central Intercollegiate Athletic Association (CIAA) Women's Basketball Championship on Feb. 28th. Coach Taylor brought the first ever CIAA women's basketball title to Johnson C. Smith in the tournament's 35 years of existence.

Head Coach Vanessa Taylor and her Lady Golden Bulls (20-10 overall) captured their first title in four appearances in the championship game with a 49-36 victory over Bowie State University. The Lady Golden Bulls came into this tournament ranked 10th in the NCAA Division II Atlantic Region.

"I'm just so overjoyed and elated for the University, our program, my team, and the city of Charlotte," said Coach Taylor after winning the title.

Congratulations ladies!!

Repeat CIAA Champions

The Johnson C. Smith University men's basketball team seized their second consecutive Central Intercollegiate Athletics Association (CIAA) championships by defeating Virginia Union University. Johnson C. Smith (23-7 overall) completed a memorable evening for the University by becoming the first school to win the men's and women's championships in the same year since Norfolk State in 1996. The Golden Bulls used a balanced scoring attack to get even for a pair of regular season defeats to Virginia Union. The Golden Bulls won their second consecutive conference championship this season and made their third regional tournament appearance in the last four seasons.

PHENOMENAL WOMAN.. by Maya

Angelou:::

Pretty women wonder where my secret lies I'm not cute or built to suit a model's fashion size But when I start to tell them They think I'm telling lies. I say It's in the reach of my arms The span of my hips The stride of my steps The curl of my lips. I'm a woman Phenomenally Phenomenal woman That's me. I walk into a room Just as cool as you please And to a man The fellows stand or Fall down on their knees Then they swarm around me A hive of honey bees. I say It's the fire in my eyes And the flash of my teeth The swing of my waist And the joy in my feet. I'm a woman Phenomenally Phenomenal woman That's me. Men themselves have wondered What they see in me They try so much But they can't touch My inner mystery. When I try to show them They say they still can't see. I say It's in the arch of my back The sun of my smile The ride of my breasts The grace of my style. I'm a woman Phenomenally Phenomenal woman That's me. Now you understand Just why my head's not bowed I don't shout or jump about Or have to talk real loud When you see me passing It ought to make you proud. I say It's in the click of my heels The hound of my hair The palm of my hand The need for my care. 'Cause I'm a woman....

Phenomenally..... Phenomenal Woman

I'm selfish, impatient, and at times, insecure. I make mistakes, I am out of control, and sometimes hard to handle...but if you can't handle me at my worst, you don't deserve my best." -Marilyn Monroe

Trenita Craig

MY PAST DID NOT DETERMINE MY FUTURE, MY FUTURE IS A REFLECTION OF MY PAST

A WOMAN HEART SHOULD BE SO DEEP IN CHRIST THAT MAN WILL HAVE TO SEEK GOD TO FIND HER

Still I Rise
You may write me down in history
With your bitter, twisted lies,
You may trod me in the very dirt
But still, like dust, I'll rise.

Does my sassiness upset you?
Why are you beset with gloom?
'Cause I walk like I've got oil wells
Pumping in my living room.

Just like moons and like suns,
With the certainty of tides,
Just like hopes springing high,
Still I'll rise.

Did you want to see me broken?
Bowed head and lowered eyes?
Shoulders falling down like teardrops,
Weakened by my soulful cries.

Does my haughtiness offend you?
Don't you take it awful hard
'Cause I laugh like I've got gold mines
Diggin' in my own back yard.

You may shoot me with your words,
You may cut me with your eyes,
You may kill me with your hatefulness,
But still, like air, I'll rise.

Does my sexiness upset you?
Does it come as a surprise
That I dance like I've got diamonds
At the meeting of my thighs?

Out of the huts of history's shame
I rise
Up from a past that's rooted in pain
I rise
I'm a black ocean, leaping and wide,
Welling and swelling I bear in the tide.
Leaving behind nights of terror and fear
I rise
Into a daybreak that's wondrously clear
I rise
Bringing the gifts that my ancestors gave,
I am the dream and the hope of the slave.
I rise
I rise
I rise.

Listen to the Exhortation of the Dawn!
Look to this Day!
For it is Life, the very Life of Life.
In its brief course lie all the
Verities and Realities of your Existence.
The Bliss of Growth,
The Glory of Action,
The Splendor of Beauty;
For Yesterday is but a Dream,
And To-morrow is only a Vision;
But To-day well lived makes
Every Yesterday a Dream of Happiness,
And every Tomorrow a Vision of Hope.
Look well therefore to this Day!
Such is the Salutation of the Dawn!

A Good Woman

A good woman is proud.
She respects herself and others.
She is aware of who she is.
She neither seeks definition from the person she is with, nor does she expect them to read her mind. She is quite capable of articulating her needs.
A good woman is hopeful. She is strong enough to make all her dreams come true.
She knows love, therefore she gives love.
She recognizes that her love has great value and must be reciprocated. If her love is taken for granted, it soon disappears.
A good woman has a dash of inspiration and a dabble of endurance. She knows that she will at times have to inspire others to reach the potential God gave them.
A good woman knows her past, understands her present and forces toward the future.
A good woman knows God. She knows that with God the world is her playground, but without God she will just be played with.
A good woman does not live in fear of the future because of her past.
Instead, she understands that her life experiences are merely lessons meant to bring her closer to self-knowledge and unconditional self-love...

The littlest things make me laugh, it's not hard to please me.
I am a free-spirit. I'm strong and determined.....
I'm just a girl and that's all i wanna be.

A Message To My Daughter

It doesn't seem so long ago.....But more like yesterday. That you were just a Baby Girl Still happily at play.... I thought I had things figured out. By the time you came along... But being a Parent ONE MORE TIME, proved to me that I was wrong. So- I thought I had seen it all ... There was nothing more to know... How could I imagine the Joy I'd find watching another life grow? I'd never though you'd grow so much, If not there would be nothing new... But you made each stage exciting..and all uniquely you
Well.....

Teresa....
My Precious Young Lady

Thank You for being a fantastic Daughter, Friend, Student and Sister. You are truly an inspiration and example for others to follow. You have shown us all your love, caring, courage, respect and determination. I realize Your Dream has come true. Continue to follow your dreams from your heart. Love Always Mom.

Love MOM

There's one more thing to really make clear.....You will always be "My Baby Girl" who brought me much Joy and Laughter through the years. I am Proud of what you've become.

Ashley P. Smith

Family means too much, Friends are too valuable, And life is too short to put-off sharing with people, How much they really mean to you, And pursuing whatever it is that makes you happy.

Love Mom and the Family

I have known you your whole life and I just want to say congratulations for making it this far, I know life for you has not always been a crystal stair, but you have mastered adversity, and left sorrow on the doorstep. I never admit it but I admire you. You have a personality that attracts people to you like a magnet and you are strong-will and will make your voice hear. Time stands still as a revel in the thought of days past how we would get into trouble together, cried together, and looked out for one another. You where my guide through the pitfalls of life always looking back at me and saying watch out, you never left me even when you went off to college. You told me right from wrong, were a mother when I needed it, a brother when I did not want it, and a friend when I was ready. Looking at you I see the epitome of what I can be, thank you for showing me that with hard work even a problem child can be somebody. My sister, my sister, I am so proud to say, what a wonderful woman you grew up to be. This is a love letter to a woman that needs no introduction, my big sister, Egeria Goldsberry.

Love your sister,
Lettie M. Goldsberry

A Message From Your Godmother...

I have known Sha'Vonne for her entire life. As a child, I remember her carefree nature, her determination to make a fashion statement, and her thirst for knowledge.

In life, we all encounter peaks and valleys. Through the years, I've watched her develop into a disciplined and determined young woman.

A college degree is a major investment in her future. The entire world will reap the dividends.

I am extremely proud of "Girlfriend" and I wish her the very best.

Last Will & Testament

what will you leave behind.....

I, Amber Shanay Long, would like to thank first and foremost my Heavenly Father for allowing me the opportunity to experience my wonderful time here at Smith. This experience has been a journey that I'll never forget. From the first day I stepped onto this campus to participate in the Freshman Scholars Summer Program, I knew that this was the place I would spend four years to further my education. Thanks to all of the people who made me feel like I belonged here on that day, especially Rev. Smith. He was my mentor and helped me through a lot in my early years here at Smith. I would like to thank him for all his encouraging words and all the time he took out of his busy schedule to stop and give me a hand with whatever I needed help with. As far as friends go, like they say, "A friend is like a two dollar bill" which is rarely seen these days, but this person is what I define as a true friend. We have been together since freshman year and it's a blessing to me that we are still friends and we are graduating together today. Thank you, Melissa Danielle Shuler for being here for me through out my years here at Smith. I know we will have many more memories together because I love you like the sister I never had ~ this is real talk! I've experienced a lot of other relationships throughout my years here, but yours has been genuine.

Now for the mushy stuff. To my role model and to the one whom I admire, my uncle, Dr. Glen Wright. He has inspired me by setting good examples for me to follow and he has always been there for me. I thank him for all of his encouragement which helped me to keep my eyes on the prize. I love you so much and words can't explain how much you mean to me. To my Dad and both of my grandparents, who have been my angels watching down on me, I love all of you and miss you all very much. I know that you are proud of me on this big day and I know you are here with me in spirit. I have saved the best for last, which is none other than my rock, my heart, and my soul, my mother. I can't thank you enough for everything you have done for me in my life and all that you have sacrificed for me. My words are inexpressible. If there were a way that I could repay you back for everything you have done for me, where would I start and how would I finish? You have been here for me through all of my ups and downs, through all of my good days and bad and I know that your love is truly unconditional. So, therefore, on this big day I know that this is a big accomplishment for you as well as it is for me.

I love you Mom and thanks to all of my family members who made me who I am today.

*Sincerely,
Amber S. Long*

I, Leah Burney would like to leave Peace and Love to: Blue Satin-you will always be in my heart and memories, YEAH (Youth Excited About Holiness) and Marie Ary -thank you for always smiling and allowing God to use on JCSU campus. I know God has mighty plans for you; keep letting your spirit shine. I love you all!

I, Melissa Danielle Shuler would like to thank first and foremost God because without you I am nothing. I would like to give thanks to someone that I feel really got me started on my way to Johnson C. Smith University and that person is Rev. Smith. I am thanking him because of the Freshman Summer Scholars Program that made it an easier transition from high school to college and it provided me the opportunity to gain some credits before the freshman semester actually started. Rev. Smith was also a great help to me and my family, whenever I needed something I could call on him. Now when it comes to friends, here we go...

-To my BESTIE Amber Shanay Long: we have been through a lot but you have been there by my side since 04-05 in the FSSP. That was the start of an unbelievable friendship that we have now. Thanks for being there when I needed someone to talk to. You are the definition of a true friend! Love Ya Bestie!

- To my Sista Dominique Monet Perkins: I know that we had our differences in the beginning but you were and still are there for me today. I know that we weren't able to kick it like we used to because of the fact of your student teaching and my crazy schedule with tennis but all I knew was that you would have my back in any type of situation. There aren't too many people that I can say are real like you but you are one of the REALIST. Thanks for all that you have done for me with Sista. Keep in touch.

- Most importantly I would like to give most of the THANKS AND PRAISE to my PARENTS. I know and they know that it hasn't been an easy road to get where I am. I know that we weren't the closest but I don't know where I would be today without them and just having the confidence in me to push me to bigger and better things. I thank you for never giving up on me and helping me understand that things do happen for a reason.

- I dedicate this to my Grandma Dot because I have learned so much from here and I know even though she isn't here with me physically she is here with me emotionally and spiritually. Thanks for loving me and helping me do the best that I can at all times. I love you Grandma Dot and I told you that I was going to graduate college with honors!

-Now to my BooBoo: Even though we were friends for a minute, it was just recently that we decided to make everything official. I don't know where to start...just know that I'm thankful that things do happen for a reason because without that reasoning then we wouldn't be where we are today! You have done so much for me already in our relationship. It doesn't matter about the money and whatever else may come with it. It matters that you LOVE me for me and you are appreciative of me. I Love You Boo-Boo!

My time here at JCSU was a great 4 years. I have learned, succeeded and accomplished only partial of my goals. Thank you for allowing me to enrich my knowledge and paving a road that I will never forget. I will hold high and represent that BLUE & GOLD. JC-SU CLASS OF 2009! Rest in Paradise Big Homie Steve!

*Love & Thanks,
Melissa Danielle Shuler*

If not, remember it's not about the fame or the riches. It's about legacy and loyalty to yourself and to the world. Peace and Love, Ms. Magic.

If I Lashaye Atkins could leave anything behind I would like to leave my fun, outgoing, and goofy personality to those who are criminology majors. I just want to let them know that even though we no longer have Montsinger and her caring personality, or her period she just want us to make it, and know we can still achieve our goals. I also would like to leave behind my knowledge because knowledge is POWER and in order to have POWER you must have the knowledge to obtain it.

I would like to thank my cousin James Brandon because without him I would not have made it to college. He pushed me to want better for myself. Growing up how I did, college just didn't seem like a path for me. But my cousin James Brandon help me do it and I owe my success to him. I love you Big Cuzzo your BABYGIRL MADE IT.

Thanks Professor Catherine Monstinger you taught me to also have integrity. Thanks Dr. Carter-Quick for being so hard on me and showing me tough love so that I could become the educated woman I am today. With endless gratitude and love, I would like to first grant acknowledgement to my parents. I thank Jesus Christ for creating me and allowing me to bloom into Ms. Jeromeka Chappelle. Thanks to my immediate and extended family for the extra and gladly appreciated support, love and motivation as well. To the love of my life, know that every successful thing begins with a test, our love is like test. Once you pass it once, the information is gained and you'll never lose it! Thanks to all my real friends, associates and professors for being there whenever you were needed. My journey at Johnson C. Smith University is now over, while my next journey to further success is just beginning. Leaving behind, all that look up to me, I want to share some advice with you. Rest in peace Granddaddy, Aunt Jessie, Aunt Ann, Daddy Gerald, James, Marie, and Steve. Forever will you be loved and truly missed!

I India Sharee Duncan leave my unique attitude and my bright smile for the up and coming freshman of the university. Along with that I leave a reminder that JCSU is only what you make out of it. So I leave a pencil to write with and 1 notebook page of paper so that on one side you can take score for spades and on the other write your notes and upcoming assignments for class LOL. I leave an engravement of "NJ ALL DAY" on every desk I've ever sat in to remind you all that I always rep my city and of course NJ rocks. I leave my senior paper in the library reference section so that the freshman will use it as a tool of how NOT to write a senior paper lol. To the up and coming social work & psychology majors I leave STRENGTH to succeed in any obstacles or adversities you are told on a daily basis you can't do. The strength to help ANY and EVERY population with no discrimination and the will to except their choices and help build on them. To My Mother I would be nothing with out you sweety. I'm your namesake and I constantly strive to make you proud. GOD only knows how much we've had to overcome but yet and still he continues to make a way out of NO WAY for us. I, Cortnee C. Stephens, would like to dedicate this last will and testimony to thanking all of the people that have served as true blessings in my life during my journey at Johnson C. Smith University. First, of course, my parents, who have been my #1 source of love and strength from day one. Thanks for evenly spoiling me and teaching me the life lessons that could only be learned through tough love. Without you, I feel I wouldn't succeed at anything. To my little sister, Amber, in your own way you've taught me the importance of being open-minded to the diversity that the world offers. To my bestfriend Brittany, you are my other sister. Thank you for being my shoulder to lean on and partner in crime through thick and thin. To my families in Atlanta, GA and Charleston, SC, thank you for the constant love and support. To Coach Aycock and the G-Bull football team, thanks for being my second family here in Charlotte. I couldn't ask for a better one. To my professors, Ms. Corbett, Dr. T, Dr. Ahmed, and Dr. Fox, thank you for helping me to see myself with a strong sense of confidence, accomplishment, and potential. To the lovely ladies of Alpha Kappa Alpha Sorority Incorporated, I love you sorors for being strong, standing out, and for never providing a dull moment. To the 23 Unintimidated Ivies, it was an excellent journey gaining and growing with 22 sisters. To the true friends I've made thanks to JCSU (George, Greg, Carlton, Charmaine, Kendall, and everyone else), I look forward to keeping in touch with you as we follow our separate paths to success. Last, but certainly not least, I thank God

*I Collette Brown have had so many lessons taught to me while attending this institution. It is my greatest desire to acquire all the knowledge and wisdom I can before leaving this Earth; this is to better myself and others.

These rest is not up for discussion. These 4 years have been fun, long and hard, I would do all over again if I had to without paying tuition, no writing papers, and still get a degree. LOL!!! Next I will like to leave being in Coronation for 4 years of my college experience. So many dances, dress, queens, rules, MONEY, but so much fun. I will not be able to do this last will and testament if I didnt have people on this campus that took me under the wing. I thank you so much for whatever you did. Graduation is here and it seems like yesterday I was pulling up to the Brayboy Gymnasium for Golden Bull Academy, my first time in Charlotte in my life. When I first step foot on campus I wondered why didn't I continue my education at some other school. Then I found out at GBA that this was the place for me. Everything about the school and city just made me want to stay and call this place home. I enjoyed my time here at Smith from meeting new people from around the US and abroad to just hanging out with my frat brothers! From freshman year hanging with all of DC to the time when I came into the bond of Kappa. Hanging out with Cynthia, Mitchell, Bowman, Melikia, Nikia, & Joy will never get old but I'm gone and they are still going to be here, LOL! Durell we finished and out but never lose touch and that goes for Rashad as well, do your Senior Paper don't procrastinate like me! My Frat you know I love you guys even though I talk trash 24/7, lol, I will never forget about you guys. YO YO!

I leave u the spirit of '09 to my baby brother coming in after me, I leave u Smith in all its glory. I leave him the satisfaction of learning to enjoy life despite those that are around you. To the class of '09 u have experienced the good, the bad, and ugly of Khalilah, so I leave u me.

I wanted to take this opportunity to thank the Yearbook staff for all of their hard work and dedication while working on this volume of "The Bull". You guys rock!! Consistently and continually, going above and beyond.

Although I may have asked a lot from you all at times, I really appreciate all you have done. My job would be significantly harder and less fun if you guys weren't around!!!!

THANK YOU!!!!!!!!!!!!!!!!!!!!!!!!!!!!
(Hope you enjoy the yearbook)
